Leading the Future

Creating Greatness

This is our commitment as a luxury yachting group. This is the spirit that drives us, individually and collectively. This is the value we bring for our employees, our brands, our clients and society as a whole.

Striving for Innovation

Ferretti Group delivers excellence through constant innovation and pioneering technology. This is how we achieve formidable performance and safety at sea, offering clients authentic experiences to satisfy their desires for affirmation and self-expression.

Going Global

Ferretti Group always endeavours to be close to the market and to our customers, doing whatever it takes to deliver exceptional performance. We have built up an agile, resourceful international dealer network, supported by high-end marketing initiatives to enhance our brands' worldwide visibility and profile.

Empowering Expertise

We continually spur each of our brands to go further. We leverage their special know-how, artisanal accomplishment and technological expertise to stay at the cutting edge of the nautical world.

Creating Value

We focus our energy and resources on supporting our brands in their long-term development, further boosting their ability to create value. This has earned us extraordinary success over the years, helping the group become a pre-eminent player in today's yachting sector.

Softening our impact on the environment

Ever aware of the need to consider the environmental and social side-effects of our products and processes, Ferretti Group publishes a Sustainability Report every year. This document maps the main impacts of our activities and outlines the initiatives in place towards more sustainable development.
